**CHRISTY MARKS:
SO HOT THAT
SHE'S A WORK
OF ART!**

Dear Voluptuous,

I was astonished to read in your May '10 issue that a reader complained about there being, "too much Christy Marks," in V-mag. In my opinion, there can never be too much of this beautiful and inspiring power girl in

Christy Marks: Too little or too much? Do you want to see more Christy Marks in upcoming issues?

the magazine. Please give us more Marks. Much more, please!—H.D., via the Internet

Dear H.D.: First and foremost, thank you for all of the wonderful illustrations of V-mag super-girl, Christy Marks. As for the V-Mag debate about too much Christy in previous issues, it's pretty even on both sides. Some readers want more Marks and some want less. We are trying to cater to everyone's wants and needs. Hopefully, Christy fans will be ecstatic to see how well you captured her likeness in these drawings. Thank you for sharing your talent with all of us here at V-mag.

CHRISTY MARKS SHOULD BE A V-MAG STAPLE!

Dear Voluptuous,

I read a very disturbing letter in your May '10 issue about Christy Marks. Some knucklehead was complaining that there was too much of her in the magazine. Well, I had to fire off this email to you right away and say that whoever wrote that letter needs medication! Too much Christy Marks in V-mag? That's ridiculous! Christy should be in every issue. She should be a staple in V-mag. I think she is the ultimate V-girl. She is very pretty, her tits are

beautiful and she is so horny that her sexuality practically leaps off the page. Anyone who complains about seeing her in the magazine is a moron. Please give us more Christy. Don't listen to one disgruntled reader whose opinion is, in my opinion, **WRONG**. Keep up the good work because the sane fans like me, appreciate what you guys do.—F.S., via the Internet.

**TOO MUCH
CHRISTY MARKS?
IMPOSSIBLE!**

Dear Voluptuous,

I am writing in to ask you to answer a question that can't seem to wrap my mind around. Can there be too much Christy Marks in V-mag? I automatically shake my head, no, and

There's nothing like watching two hot, busty babes get lost in lust and make out.

think that it's impossible for there to be too much of this sexy woman in your magazine. However, some one in the May '10 V-mail section suggested that otherwise. He said Christy pics were appearing too frequently on your pages. I just don't understand. I can't grasp why he wouldn't want to see Christy and her sexy body as often as possible. To me, Christy is the ultimate V-mag model. She is perfect. And I think you guys should dedicate an entire issue to her because she is that good. Whoever that guy was, who wrote that complaint letter, he is nuts. I say, bring on more Marks! I know I love to see her all the time.—G.P., Wichita, Kansas

AUGUST '10 IS AWESOME!

Dear *Voluptuous*,

The August '10 issue is an absolute

knockout. I've seen nearly every issue of the past decade (And before!) and believe me when I say this one would easily make my top 10.

Where to begin? Well, for starters there are just so many strokable pics of strokable chicks—and, I notice, a marked decrease in the incidence of dildo-use, which I wrote a ranting letter to you about not so long ago. Long may this continue.

My favorite pics: the P.O.V. shot of Christy Marks getting creamed on page 18 (The look of orgasmic bliss on her face is priceless!), Trinity Michaels' full-page 'spreader' on page 35, ALL of Laurella's layout (WHAT a find!)—Especially the incredible shot at the bottom of page 43 where she's spreading her big ass while her massive tit flops out to the side, all but entirely obscuring her head. It's unbelievable!

Then there's Bebe Cooper's encore (Fabulous ass-shot on page 48 and, by the way, I loved her dual shoot with

Kaytee Carter in the May '10 issue. More of that kind of thing, please!), Jen Capone's adorable ass cocked and spread for my load on page 55, the return of Kristy Klenot (One of my favorite models—just how sexy are her facial expressions? And that's before you even look at her body!), Carmen Hayes getting glazed from above on page 79 (Great photo; killer view-point.), Monique and Sunshine 'Frenching' each other while presenting their asses to the camera on page 81 (All I can think about when looking at this pic is moving between the two girls and spanking each ass repeatedly with my cock...Wow!) and the living wet-dream that is Cynthia Flowers (I love her eye make-up.) taking a bone in the closing pages.

But my favorite girl of all from an issue packed with goodies is, you guessed it, Arianna Sinn (Any relation to Summer?). Top marks, Arianna, for the sexy stockings and suspenders and super-duper marks for the two full-page shots (Pages 67 and 69.) in which you're spreading your delicious, shaven cooze for me to bathe in hot, sticky cum. Nary a dildo in sight, too. I fear that my underwear may never regain its proper shape.

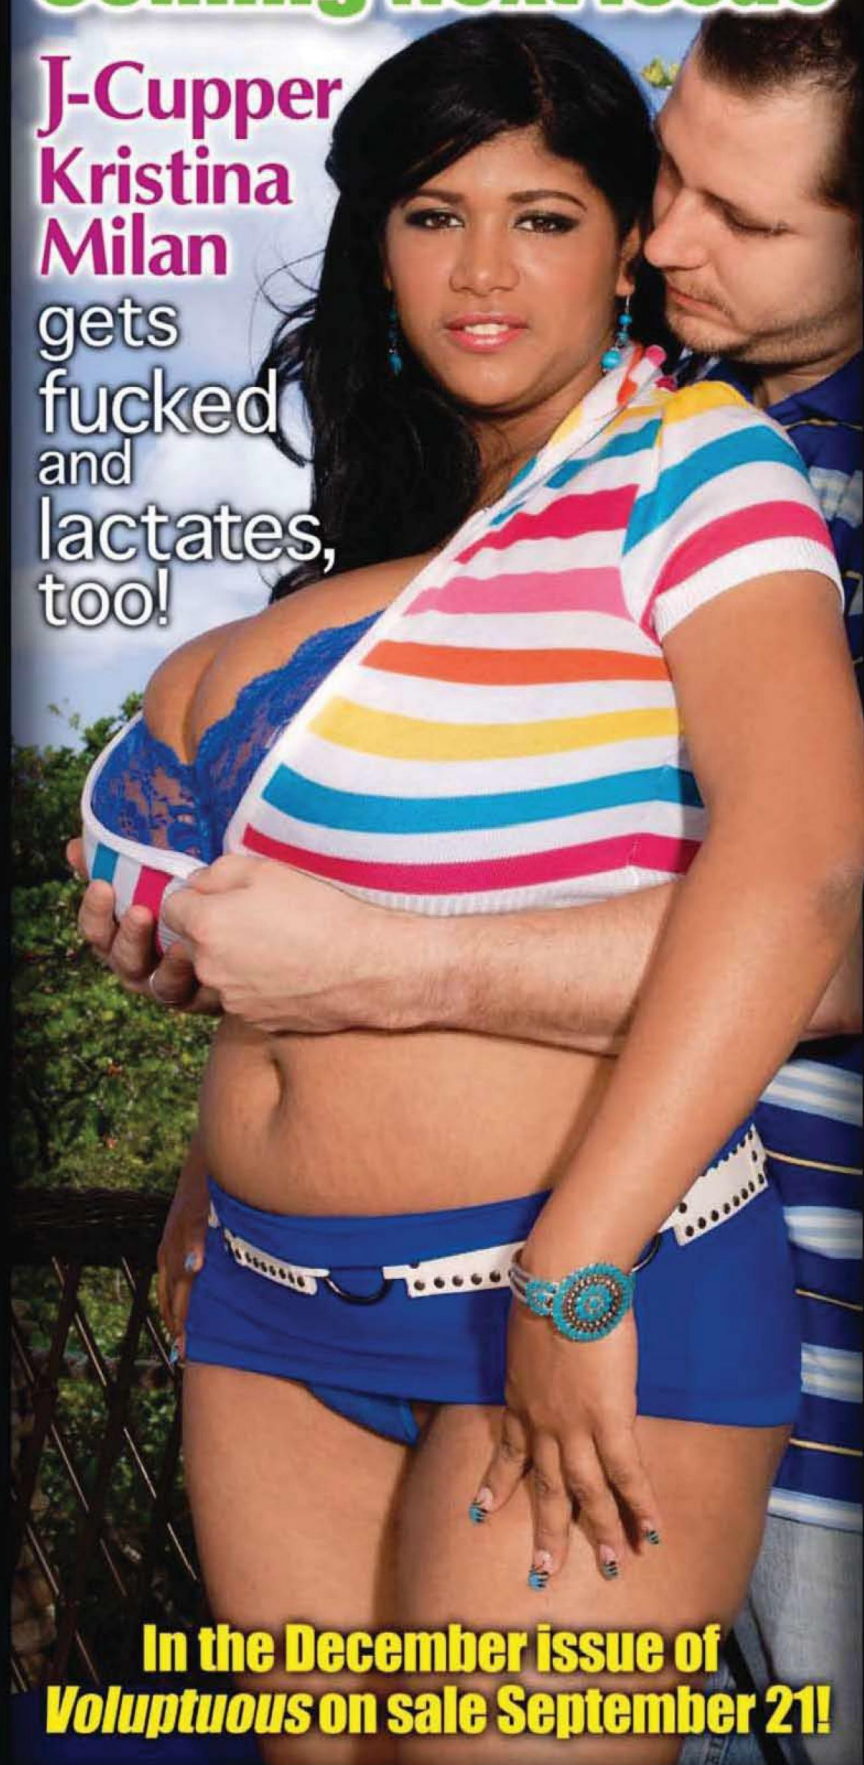

Actually, on the subject of hairless honey pots, can I just say that if, due to reader demand, you're considering doing an 'all-hairy' issue, could you counter that with an 'all-shaved' issue for us lovers of silky-smooth snatch?

Reader K.S. from England said that he loves to see Arianna spread her, "Delicious, shaven cooze." How 'bout you?

Fill it with pics like the two of Arianna that I've just described and I'll feel like I've died and gone to Heaven.

One more thing before I go: I've really missed the fiction in V-Mag so I was ecstatic to read T.N. Knight's *Busty Office Temp*—a great story and it was highly arousing. I'd much rather read something like this than another model interview (It makes me nostalgic for the good old days when stroke-books always had stories in them.) and I hope you'll consider bringing back fiction in future issues of V-mag.

All right, c'mon, 'fess up—when are you bringing back Cherry Brady?

—K.S., United Kingdom

**KARLA JAMES: THE
BEST V-GIRL EVER!**

Dear *Voluptuous*,

July '10 V-mag will forever go down in history as the BEST issue of all time. Why? Karla James is why. I saw her on the cover and I thought I had died and gone to heaven. Karla is the most-beautiful V-girl of time. That is a fact, not an opinion. She has a gorgeous, cherubic face with those sparkling blue eyes and her breasts look like the gods sculpted them. The fact that a girl this gorgeous actually exists is a testament to miracles happening. I would saw off my right arm to have one night with Ms. James. She is that incredible. No model can touch her beauty and bust. Can you please give me a bonus

Voluptuous readers cannot get enough of sexy Brit titter, Karla James.

shot of her tits? Thank you!—S.W., Los Angeles, California

who like big, juicy tits. I am a fan for about four years now and I can honestly say that I love each issue. But, July '10 is officially my favorite issue so far and that is because of the two ladies who stole my heart. (And about seven or eight loads of cum a piece!)

The first lady is Jenna Valentine, whose interview was very funny and entertaining. (I want to say that I most certainly enjoy when V-mag editor, Maria, interviews the girls. She connects with them on a level that the girls give very detailed, horny answers.) I think Jenna is very sexy and I like her pale tits. The second girl that I fell in love with was Karla James. Her 34G titties are stunning. She has such a curvy, perfect body. She is soft in all the right places. I can imagine what it would be like to touch her lush curves and bit that round ass of hers. I would spend hours licking her ripe nipples and I would love to plow my cock into her pussy while holding on to her knockers.

I know that guys write in and request bonus shots, so I am going to try my luck and ask you for three shots. I like it when you give us, the fans, a good view of a model, so if you could please give me a shot of Karla James' profile and straight on, I would appreciate it. This way, I can admire her from all angles at once and beat my dick. Thanks for always doing a great job with every issue, V-mag!-F.K., Nashville Tennessee

FAITH AND KARLA: THREE CHEERS FOR ENGLAND

Dear *Voluptuous*,

I was about to consider blonde bombshell, Faith (Featured in *SCORE* mag!) the ultimate stunner in every respect. But that was until I clapped eyes on the dark-haired beauty, Karla James. Karla James and her magnificent 24G rack have stolen my heart. To be fair, it's not every day that you see two incredibly stacked women that come from the same country. I mean, what are the odds? Both of these Brits are incredible! So are their tits.

I just had to write in and praise Karla for such a brilliant debut in the July '10 issue. Maybe you could feature both Faith and Karla together at some point. Anyway, I had to write in and say that

**KKK-cup
WONDER**

Miosotis

Contrary to popular belief, there are officially eight natural wonders in the world these days. The most-recent one being the lovely, mocha-mammed darling, Miosotis. What makes Miosotis a natural wonder? It starts with her massive KKK-cup hangers and ends with her tiny, 28-inch waist. Miosotis is a phenomenon. Sure, there are girls with breasts as big as hers, but it is rare to find one who is so tiny that her top is 22-inches bigger than her waist. Shot on-location in the Dominican Republic, you will fall in love with this lady's tropical treasure chest!

Miosotis is from the province of Monte Cristi in the northwest Dominican Republic. She told us that she grew up in an area that had a lot of farming and a lot of girls with big breasts. (If you just felt the urge to move to the Dominican Republic, we don't blame you!) And although we are sure that some of the girls in the area are stacked, it is probably a safe bet to assume that none of them are as slim-and-stacked as Miosotis. She told us that she began to blossom early and that by the time she was 13, she had DDD-cups! Now boasting impressive 50-28-36 measurements, Miosotis is a busty phenomenon and sure to become a V-mag legend in no time.

Bare Facts

Miosotis

Birthdate: September 16, 1980

Age: 29 Height: 5'8"

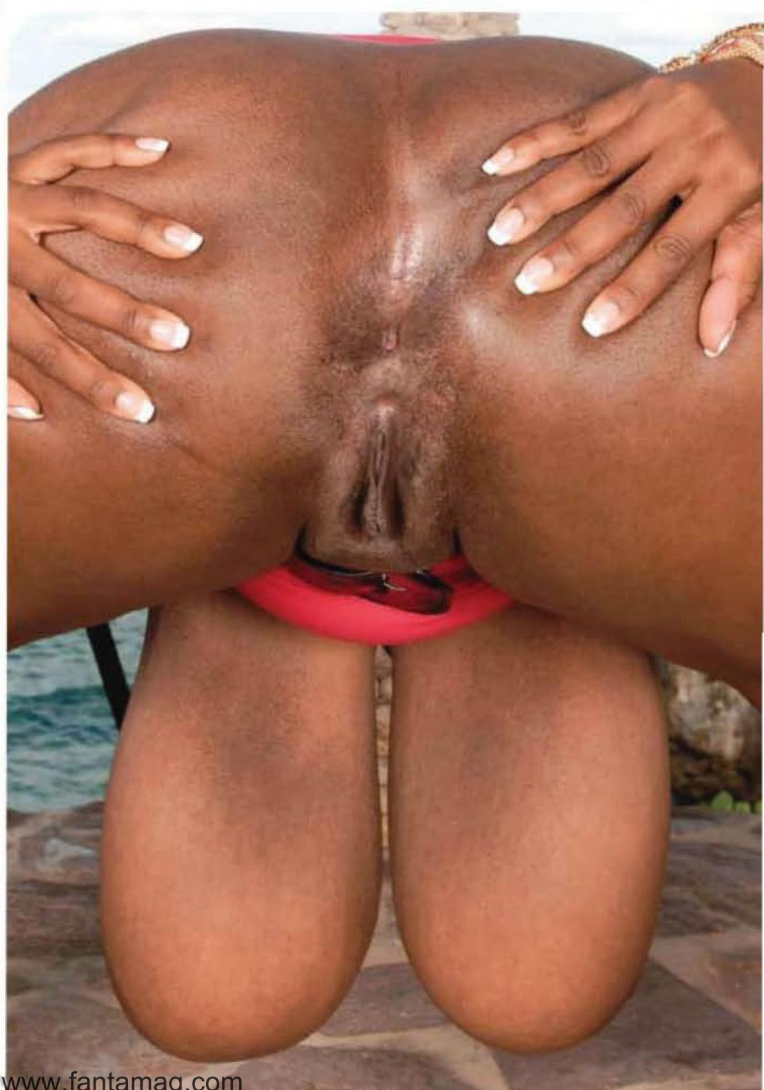

Weight: 162 lbs. Bra: 38KKK

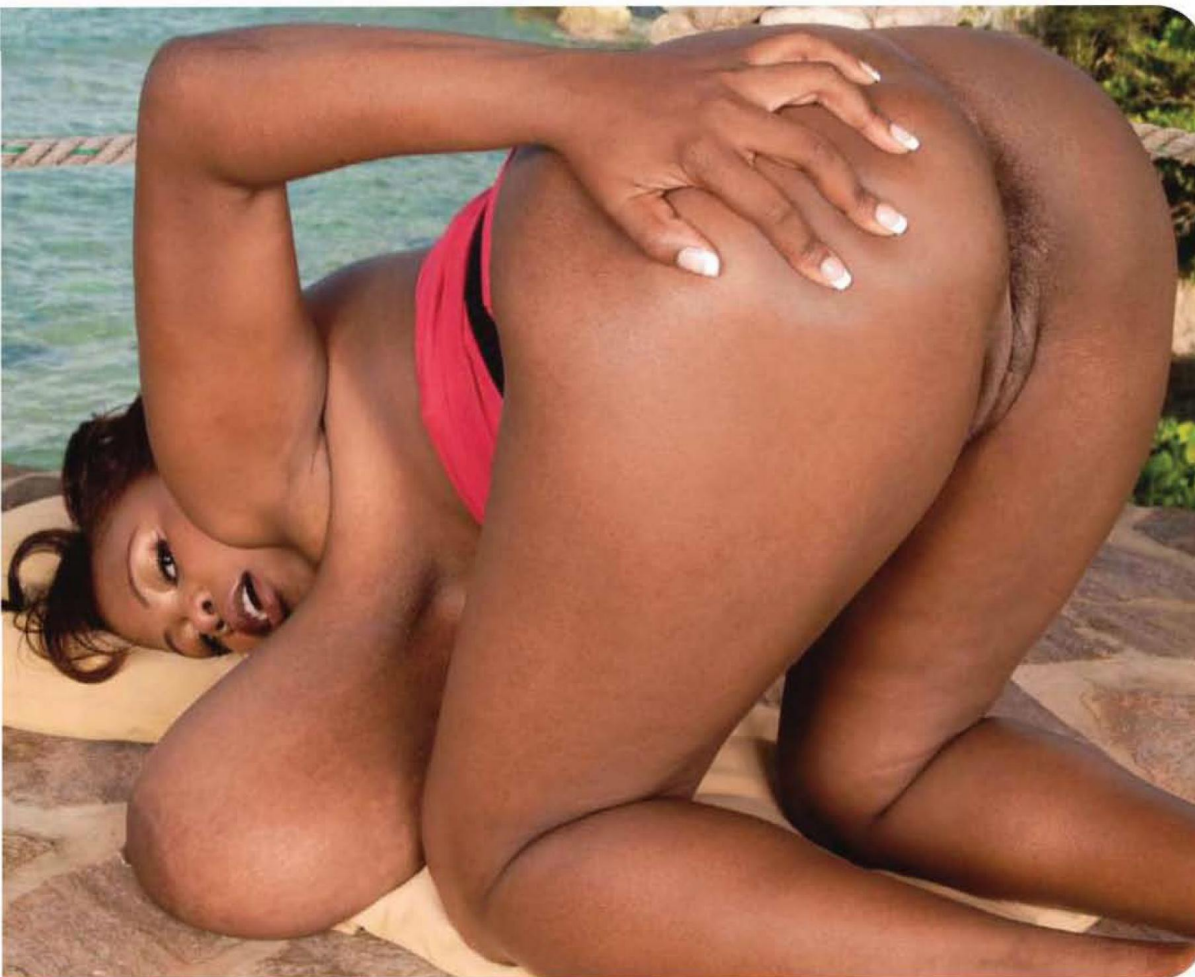

Measurements: 50-28-36

Lives: Dominican Republic

Occupation: Model

Hobbies: Dancing, relaxing on the beach and shopping.

By now you should be reveling in the fact that Miosotis is beyond busty, but here are some fun facts that we think you should know about this incredible find. The first is that if you look closely, you will see that her breasts are noticeably larger than her head. The second is that her areolae are a lovely shade of chocolate. (And plenty sensitive, too. Miosotis told us that nipple-play really turns her on and who wouldn't want to suck on her dugs and get her excited?) And the last thing is that she looks like she likes to stuff her tight box. And yes, we can confirm that Miosotis is very horny and loves to get her pussy filled. You can see her in XXX on ScoreLand.com!

Gianna would like to play doubles.

In tennis, it's all about the outfit.-by Dave Rosenbaum

Well, it's that time of year again, when tits and tennis always seem to be in the news. Last year, it was Simona Halep, who made news when she announced she was going to get a breast reduction because her tits were getting in the way of her tennis. I'm sorry to report that, yes, she did get the reduction; and she's been playing better (Although she lost in the first round of the French Open. Serves her right for getting

rid of those natural beauties).

This year, it's Venus Williams, the far-less-bustier of the Williams sisters (It's Serena who has the big tits and big ass.), who's making news. She came out for her first-round match at the French Open wearing a red-and-black corset-like dress and, underneath, nude sports shorts that, at first glance, made her seem like she wasn't wearing any panties at all. How about that!

Actually, how about nothing. When I first saw the photos, I thought she was baring her ass, but it really didn't matter because I have no desire to see Venus's ass.

Here at SCORELAND, our girls have been exploiting the game of tennis for their own purposes for a long time. They know that nothing makes big tits bounce like a good, hearty game of tennis and tennis

Hiya Boob Lovers!

Ah, the life of an editor. It's full of excitement and hootered happenings! I never know what will happen on any given day. For example, from time to time, I get emails from V-Mag readers praising the mag and the girls who made their debuts. Sometimes readers ask for more bushy pussies, less dildo and more XXX. Sometimes they want to see more of a particular model or they ask for a bonus shot of their favorite girl. (And sometimes I get emails

Gentlemen, meet Sadie Berry, a fresh-faced ginger from Detroit who spends her days working as an accountant and her nights flaunting her plush J-cup rack and being a man-eater. You know what they say about still waters running deep? Well, Sadie likes it deep...in her pussy!

"I am a good girl, but I have a wild streak. People think that accountants are stuffy, number crunching types, but I am not your typical bore. I like to cut loose and party. I wear skimpy outfits and go out drinking with my girlfriends. We make out and guys will watch us and go crazy. I like being watched!"

**Jenna
Valentine**

While on-location in the Bahamas, Jenna Valentine decided that she wanted to get wild and naughty. She posed and was sexier than ever before, spreading and fingering herself for our cameras. Maybe it was the tropical heat, but Jenna went hotter than EVER!

Or maybe it was all the girl-on-girl tit action that made Jenna feel extra naughty. "I had four wonderful days in the Bahamas watching girls get wet in the ocean, rub down their boobs with lotion and oil, get hosed down, put on sexy lingerie like garters, jump up and down, do cartwheels, try on bras, rub each other's boobies, slap each other's asses and shake their asses, too!"

Taylor Steele

Taylor Steele is known for a lot of things like a pretty smile, great G-cups knockers and an extremely horny disposition. However, now this sexy lady can add "expert tit-fucker" to that long list of accolades. You see, while on-location in the Bahamas with four other busty babes, Taylor decided that she needed a big cock in between her tits and who were we to deny her that? We flew in a stud and we told Taylor she could do with him what she pleased. And what she did was please him with her tits. While most people go to paradise to unwind, Taylor went to the Bahamas to jack off a stiff cock!

**Peaks of
Pleasure!**

If you have yet to see Taylor work a dick with her tits, you're missing the ride of your life! Taylor's pud-tugging performance is nothing less than extraordinary! As Taylor states during the very first seconds of this video, "Are you ready for this? Because this is going to be the jerk of your life. And the tit fuck." Those are bold and cocky words, but coming from a busty gal who is as horny as Taylor, you have to believe them. And Taylor doesn't stop there because she is a lady of many words, but some of our favorites are when she says, "This is fun. I like being a little whore!"

With her needs fulfilled, Taylor took a load of cum on her tits in the Bahamas. Does this mean that she'll be fucking for our cameras, soon? Perhaps! "Posing makes me horny because I feel sexy and confident. And that, in turn, makes even me hornier. So, maybe that will be why I end up doing XXX."

We all know that Renee Ross has big tits, but sometimes the best way to judge the bounty of a bosom is to put it next to a less-stacked specimen. Simply put, we asked Renee to pose with Sophia, an A-cup teen from our sister magazine, *18*eighteen. The results of our big vs. little experiment? This incredible comparison layout. Seeing Renee's J-cups next to Sophia's flatties is visually stunning as is the fact that Renee's huge breast is as big as Sophia's head! It goes to show you that when it comes to tits, more is, well, more!

JULY '10 ISSUE: SEXY, BALD BEAVERS AND SHAR!

Dear *Voluptuous*,

I just picked up the July '10 issue and WOW! I don't get to buy V-mag very often. I know, I know...I should subscribe. I guess I am not very smart.

Anyway, I loved the pregger shots of Stefani/ She says she is hornier than ever and feels sexier than ever and I love that. She looks incredible. As for Jenna Valentine...what a winner! Those spread-wide beaver shots of her were amazing. So were the beaver shots in Spyce's layout and Taylor Steele's, too. They all have terrific, hairless cunts! And the XXX layouts were great, too!

But I have to say that my favorite babe in the entire issue was Shar. What a sensational, well-stacked mama The picture of Shar with one boob over the other is an automatic wood maker.

The photo on page 58 of her layout is terrific. Did you notice the size of her arms? WOW! Shar could put a dude in a headlock and smother him with her huge tits! What a way to go! Another thing that I love about this magnificent, ethnic lady is that she has beautiful face. I think we have a future Hall of Famer, V-mag.—L.M., San Jose, California

A COUPLE OF SUGGESTIONS!

Dear *Voluptuous*,

I picked up a copy of V-mag a few weeks ago and I was very impressed by the quality of girls highlighted in the issue. It also referenced *SCORE* magazine, which I purchased and also had the same quality models.

However, I found what I feel that something was lacking in the poses. At first, I didn't know what it was...I just know that the old V-mag issues in my sock drawer were more sensual.

Then it hit me! I saw that 95% of the photos in these newer issues had the model looking directly at the camera. (The deer-in-the-headlights effect.) This, to me, takes away from the moment. I feel like the pictures should capture a private moment where the model is alone doing what she likes to do behind

T&A All The Way

Alanna Ackerman

Alanna is no stranger to hot, nasty fucking as this marks her fourth appearance in V-mag and the third time she is riding the baloney pony for your jacking pleasure. So what makes this go around on the tube steak different for Alanna? Well, for starters, she isn't in a nurses' uniform like she was in her November '08 layout. And she isn't fucking a Frat boy, like she did in the Jan. '10 issue. There are other subtle differences this time around, too. Like how Alanna told us that she wanted to bang a really hung, black porn star. And then she told us that she wanted him in her tight ass, too!

"I'm a freak in every sense of the word," she told us. "I love sex whether it's for video, at home or just casual sex with a random guy. I love it rough and I can take cocks in my pussy and ass. If a guy knows how to work his cock, size doesn't matter to me. Race isn't ever an issue, either."

So what does Alanna have to say about taking this huge cock in her ass for her scene in *More To Fuck*? (Check out the DVD Preview for this masturbatepiece on page 12 of this issue!) "It was incredible! It felt so good sliding into my asshole. Because I was so horny, it just popped right in. The more turned-on I am, the more I enjoy anal. I especially liked it when he drilled my ass while I was in missionary. I could feel every inch of his dick sliding in and out of my asshole and the sensation made me drip cum from my juicy pussy!"

closed doors. The deer-in-the-head-lights focus on the camera makes me feel like the model is looking at the cameraman and director. I think that a more natural mood would help.

Also, if you could, please feature more side views of the models highlighting her breasts and her figure.

Don't get me wrong, V-mag is a great magazine, but every one can improve, right? I hope you take my suggestions into consideration.—Anonymous, San Bernardino, California

CARMEN HAYES: XXX AT ITS FUCKING BEST!

Dear *Voluptuous*,

Without question Carmen Hayes is one of the most beautiful women to pose for *SCORE* and *Voluptuous* ever! I love black women and Carmen Hayes drives me crazy! But what really turns me on the most about her is knowing that she has fucked so many men.

I think it would be really cool to see Carmen fucking her real-life hubby for your magazine. How horny would she be if she was fucking and sucking off her husband for your cameras? I think it would be incredible! She would be really into it and it would take her hardcore scene to the next level.

I am sure that Carmen likes to have sex for the sheer pleasure of it. I know that when I watch one of her scenes, she looks like she is really getting off and having fun fucking all of the porn stars. Because she enjoys it, it makes it even more enjoyable for us to watch.

Carmen has bedroom eyes and a million-dollar smile to go along with her smoking-hot body and big, natural tits. She is just so pretty that I jack off to her sexy pics all the time.

It is safe to say that I love to fuck sexy black women like Carmen. I am currently fucking a black woman who is 10 years older than me just because her pussy is so hairy and tight! She has a big ass and very nice tits, too.

I just wanted to write in and explain that I love Carmen and all of the other hot black women that you put in your terrific magazine. *Voluptuous* is great for white guys like me who love dark-skinned, curvy women. You guys always give us such sexy black ladies in your pages, so thank you, *Voluptuous* magazine!—C.W., North Carolina

Ginger Spice!

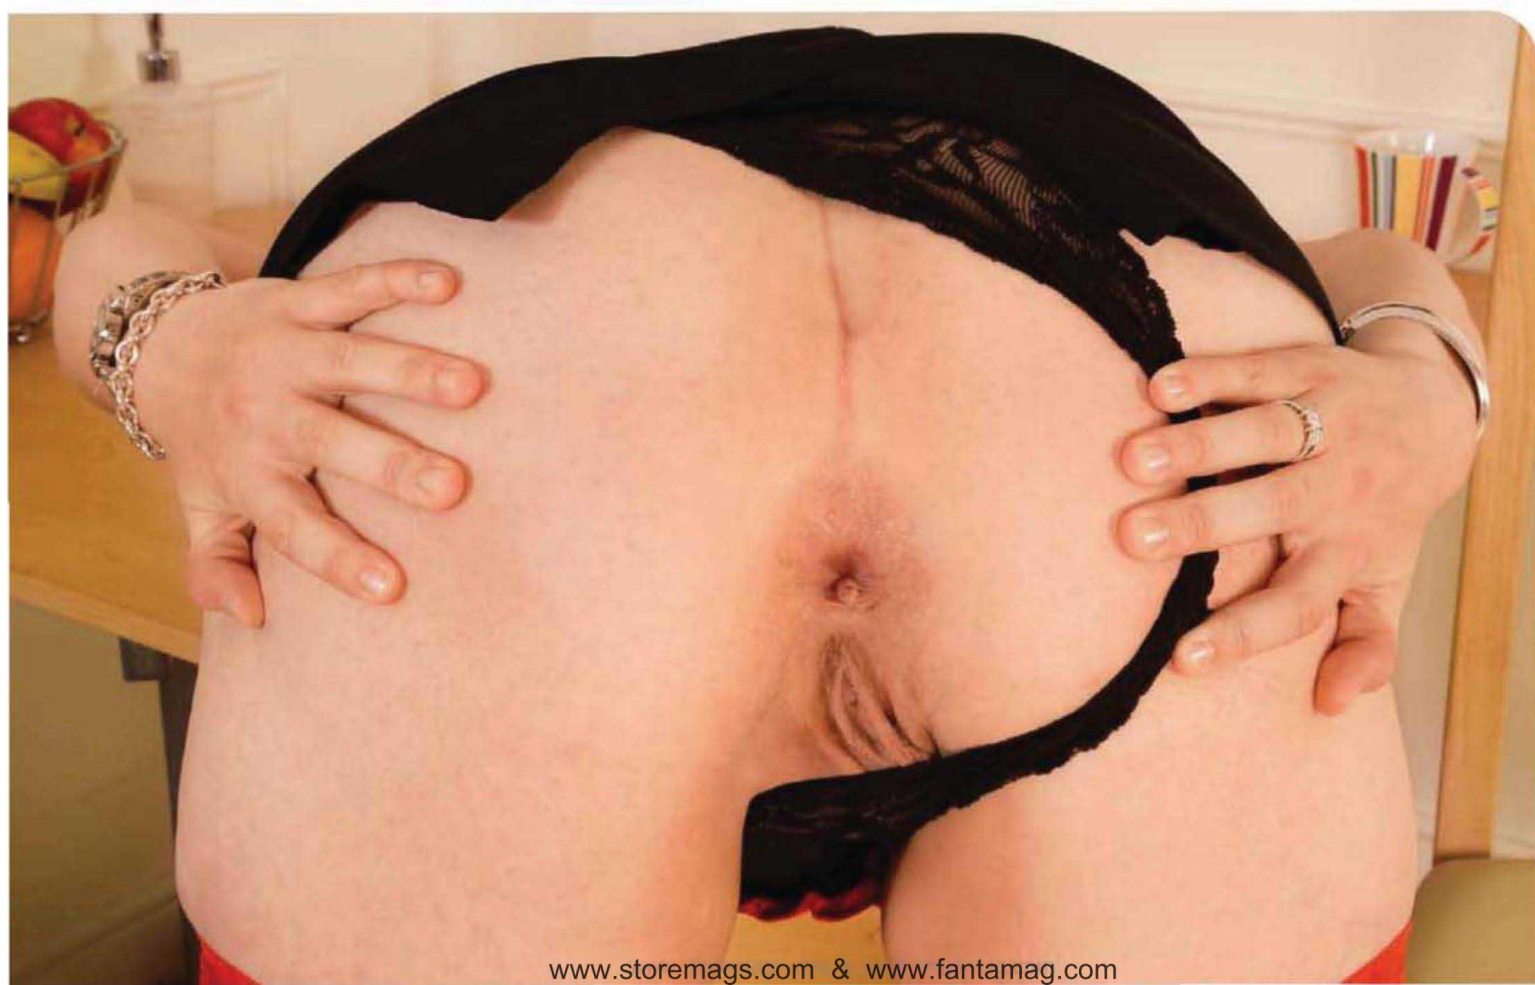

The last time that we saw Amber in the January '09 issue of *Voluptuous*, she told us quite a few naughty things. The first is that she really enjoys being an adult model and being naked in front of the camera. The second is that she planned to

model for a few years, getting hotter and hornier during her photo shoots until she retired. And the last thing that she said to us is that she loves cum, lots of it. So, if you haven't figured it out by now, Amber is red-hot...in the pants, that is!

"There are a lot of kinky things out there that I enjoy and wouldn't mind incorporating into my modeling," said Amber. "I like face-sitting, massages, cum facials, getting rimmed, spanked and penetrated by toys and cocks, too. I would like to model fetish costumes and maybe do some role-playing, too. Nothing is off limits for me because I love sex!"

So just how far is Amber willing to go for the sake of her modeling career? As far as her pussy and snug asshole can go! "I am very interested in gangbangs and having lots of guys cum all over me. Although I haven't been in any orgies, yet, I have done a lot of threesomes with both men and women and I enjoyed them thoroughly. All those mouths all over my body and so many hands squeezing and pinching, probing my pussy and asshole just turns me on. I enjoy regular sex with one partner, but I definitely get off better with multiple partners. And I love being DP'ed, so the more the merrier!"

Karina Hart looks hot even in pencil!

from readers who want to see me naked! lol) But my favorite emails come from fans who send in their artwork to pay homage to their favorite naturals. Being a big comic book fan, I absolutely LOVE illustrations of hot chicks in sexy outfits. (Vampirella is a fave, and I was saddened to hear about the passing of Frank Frazetta.) So, I was delighted when reader H.D. from Germany sent in these wonderful illustrations of Ashley Sage Ellison and Karina Hart. I love that he took

Once again, a high-five to H.D. for these great drawings and to all of the V-Mag fans around the globe.

The hole story about pierced nipples! by Elliot James

Nipple piercing is not a new practice. It goes back to the 15th century. Well-off European ladies of the late 1800s had their nipples pierced, not just for fashion, but for the feeling of pleasure from the constant stimulation. Nipple piercings (and non-piercing nipple jewelry that pinches the nipples, like Nipple Huggers) can increase the production of the hormone oxytocin (the feel-good hormone). Some doctors of that era recommended nipple piercing to increase the size of the nipples in order to breastfeed babies better.

I can't say that nipple piercing is on the rise at SCORELAND, but there are a few tittie-hotties who are into it. "I think I just wanted to be different," Carrie Ashton said in an interview. "I love tattoos and piercings. It is something that I am into. I knew that they would be even more sensitive. I mean,

for about a week after I got them done, I couldn't even touch them, they were that sensitive. They didn't hurt, but every time I touched them, I could feel it all over my body. And now, they are twice as sensitive as before."

Chicks piercing their nipples. How do you feel about 'em? Me, I don't go for the taste of metal. But, different strokes for different folks.

The life-changing revelation I had about big tits in tight tops!

by Dave Rosenbaum

I was at lunch the other day, the usual spot, and I found myself standing at the soda fountain machine, waiting to refill my glass, checking out the rack on the MILF standing next to me, refilling her glass and very nicely filling out a white tank top. Nice, tan, probably fake boobs. They were D-cups, I'd guess. She was showing plenty of cleavage, and just a little bit of side cleavage, too.

And that's when it hit me like lightning: Tits are part of the outfit!

Her shoes were part of the outfit. The belt she was wearing was part of the outfit. Her earrings were part of the outfit. And, in this case, her tits were part of the outfit, too!

Do you see what I'm getting at here? I told this story (and my revelation) to a female editor here at The SCORE Group. She looked at me like

Jenna Valentine is wearing a nice halter dress accessorized with cleavage.

I was crazy and said, "So what, Dave? Everyone knows that."

NO, NOT EVERYONE KNOWS THAT! Maybe women know it, but men don't know it. I didn't know it. I know now, though. Now I understand that some women accessorize with earrings. Others with bracelets. Some with stockings. When a woman is wearing a short skirt, her legs are part of the outfit. When she's wearing tight, low-rise jeans, her ass is part of the outfit. And when she's wearing a low-cut top, her tits are part of the outfit. Of course, some women have nicer accessories than others.

This doesn't mean that it's okay to walk up to a busty girl and say, "Hey, nice tits." No. That's never okay. But if you say to her, "That's a very nice shirt you're wearing today," she'll know exactly what you mean, and that'll be okay. Because she knows that her tits are part of the outfit.

It's time somebody said something nice about oil! by Dave Rosenbaum

The oil spill in the Gulf of Mexico is giving oil a bad name. Not to make light of the disaster—and it is a disaster in every way—but at times like these, we must remain levelheaded and remember that OIL IS NOT TO BLAME! In fact, oil has many positive uses, as frequent jackers and SCORELAND members (aren't they the same thing?) know very well.

Kerry Marie is covered in oil and you know what? We LIKE it. A lot.

I've been seeing RED!

by Maria Guerrero

So, there's been a lot going on at V-mag and SCORELAND these days. We've been featuring all of these exciting posts like the Grand Bahamas special and incredible, new models like Miosotis...but I have to be honest when I say that lately I've been distracted and really unable to enjoy all of the big-boobed wonders.

Why? Because my obsession with *Mad Men*'s Christina Hendrix is ruining my life.

I fantasize that she works here and that she walks down the hallways in pencil skirts and clingy tops. And then a wind machine starts and her red hair billows and then suddenly she's ripping her top open. But alas, I have yet to see Ms. Hendrix naked, so you can imagine my frustrations.

Luckily, I have the red-hot-red-heads we've featured along the years to give me my fix of gingers.

And really, when it comes down to it, who doesn't love redheads? Their fiery hair and their pale skin is really a great combination. In my experience, busty redheads have the greatest nipples, too, because they are usually very pink and look like they need a lot of suckling. (I love to say the word, "suckling." I find it sexy!)

So, for the time being, I will abate my lust for Ms. Hendrix by ogling our hot, busty gingers...because redheads really are the spice of life.

Contessa Rose is a red-hot ginger that gets a thumbs up from us!

Up Rent
Money!**

Bailey Santanna

When this sleazy landlord shows up demanding the rent money, Bailey finds herself in quite the pickle! But this busty blonde knows exactly what to do when she finds herself between a cock and a hard place, and that's to get that cock hard in exchange for free rent at her place. And what landlord would say no to bangin' Bailey's box?

In the Sept. '09 issue, Bailey said, "Now that I'm a little older, I'm definitely not looking for [virgin guys]. I'm not ruling them out, but experience is definitely good. Plus, I don't know if I can handle 18-year-old boys anymore. I like men my age or older. I like a guy who knows how to pay rent." Well, looks like Bailey knows how to pay rent...with her rack!

So does Bailey, who is making her third appearance in V-mag so far, think that sex is a good bartering tool? Of course she does! "Sex is give and take, so I think that if you have to give up a little bit of pussy and tits to get what you want, so be it! It's not like I am having a bad time when I have sex, either. It's very enjoyable for me, so it's almost like I'm swindling my partner!"
